

29 The following apparatus is assembled to measure the E° of a half-cell.

Which set of concentrations would give the correct value of E° for the following electrode system?

	$[\text{HOCl}]$ $/\text{mol dm}^{-3}$	$[\text{H}^+]$ $/\text{mol dm}^{-3}$	$[\text{Cl}_2]$ $/\text{mol dm}^{-3}$
A	1	1	0.5
B	1	1	1
C	2	2	1
D	2	2	2
